No individual may guest ride or cap more than 3 times per year.
 Prospective new members are asked to cap or guest three times prior to joining. This provides you with the chance to become comfortable with North Country Hounds prior to committing to a full membership. The first two paid capping fees will be credited to your full membership for the year.
 Junior riders must designate an adult rider in the field to be responsible for them at the meet.

If you need to pay in installments, please contact the treasurer Gretchen Rittenhouse, to work out the details.

Please provide us with a copy of your current Coggins and rabies certificates.
